## Welcome to KIS

where we measure success one  
happy learner at a time

## About KiS

Khaled International Schools (KiS), were founded in 1995, in Riyadh, Saudi Arabia. As leading academic institutions in the Kingdom, Khaled International Schools cater to both male and female learners, from Kindergarten to Grade 12, in a multicultural environment.

Delivering a strong American curriculum within a learner-centered educational system for over 25 years, Khaled International Schools nurture national and international students from preschool to graduation, based on global English educational standards and a diversity of foreign languages, including Chinese. KiS also offers Advanced Placement (AP) courses to support learners at the next stage of their academic journey and is in the process of securing candidacy and authorization for the International Baccalaureate Diploma Programme (IBDP).

### Mission

At Khaled International Schools we are committed to provide a safe, collaborative and nurturing learning environment, where our community of learners, faculty and parents can foster a culture of academic excellence, to contribute to positive change on a social, environmental and economic level.

### Vision

To nurture the leaders of tomorrow, one learner at a time

### Our commitment

At KiS, our community is committed to nurture:

A lifelong passion for learning  
A learner-centered education  
Interactive learning environments  
Analytical & creative thinking

# What sets us apart?

We offer a caring and supportive atmosphere, focused on learners' holistic development.

We are characterized by a community of happy learners and successful alumni.

We celebrate diversity and inclusion in our multicultural environment.

Our students' voices and choices are central to all that we do.

We offer AP courses and a wide range of elective courses in High School.

Learners can choose from a wide variety of activities and sports.
