About Khaled International Schools

Khaled International Schools (KiS), were founded in 1995, in Riyadh, Saudi Arabia. As leading academic institutions in the Kingdom, Khaled International Schools cater to both male and female learners, from Kindergarten to Grade 12, in a multicultural environment.

Delivering a strong American curriculum within a learner-centered educational system for 30 years, Khaled International Schools nurture national and international students from preschool to graduation, based on global English educational standards and a diversity of foreign languages, including Chinese. KiS also offers Advanced Placement (AP) courses to support learners at the next stage of their academic journey. In addition, KiS is a candidate school for the Diploma Programme. The school is pursuing authorization as an IB World School. IB World Schools share a common philosophy – a commitment to high-quality, challenging, international education – that we believe is important for our students.

Our Academic Vision

At KiS, we aim to create a safe, flexible and nurturing learning environment where children, faculty, staff and families work together to enhance everyone's cognitive, emotional, and spiritual development through learner-centered, holistic education and the integration of technology.

Guided by the core values of respect, responsibility, partnership and life-long learning, KiS will honor the special gift in each child and support every learner to become a contributor to positive change in his/her country, and in an ever-diverse international community of learners.

STEM subjects, AI and Robotics Labs

*State-of-the-art
labs to develop
our learners' skills
for the future!*

At KiS, we have dedicated Science, Robotics and AI labs, to ensure our learners are up to date with the latest skills needed. In the labs, they practice coding, they experiment and they learn about the future.

What sets us apart?

We offer AP courses and a wide range of elective courses in High School.

We offer a caring and supportive atmosphere, focused on learners' holistic development.

We are characterized by a community of happy learners and successful alumni.

We celebrate diversity and inclusion in our multicultural environment.

Our learners' voices and choices are central to all that we do.

Learners can choose from a wide variety of activities and sports.

KiS is an IBDP candidate school and is pursuing the authorization in 2025.
