ABOUT KHALED INTERNATIONAL SCHOOLS

Khaled International Schools (KiS), were founded in 1995, in Riyadh, Saudi Arabia. As a leading academic institution in the Kingdom, KiS caters to both male and female learners, from Kindergarten to Grade 12, in a multicultural environment.

For over 30 years, KiS has delivered a strong American curriculum within a learner-centered educational system. The schools seek to nurture national and international learners from preschool to graduation.

The languages taught at KiS include English, Arabic (as a first language), French and Mandarin.

KiS also offers Advanced Placement (AP) courses to support learners at the next stage of their academic journey, and KiS is a candidate school for the International Baccalaureate Diploma Programme (IBDP).

WHAT SETS US APART?

We offer a caring and supportive atmosphere, focused on learners' holistic development.

We celebrate diversity and inclusion in our multicultural environment.

We are characterized by a community of happy learners and successful alumni.

Our learners' voices and choices are central to all that we do.

Learners can choose from a wide variety of activities and sports.

KIS - GIRLS' SCHOOL (KG1 - GR. 12)

The KiS Girls' School is an impressive campus, with high-tech ICT Robotics labs, biology, physics and chemistry labs, a library, and staff rooms.

In addition, it includes an art room, assembly hall, multipurpose hall, and staff rooms.

As part of KiS' commitment to nurturing the whole learner, the Girls' school also has three playgrounds equipped for football, basketball, ping pong and volleyball in addition to two canteens and a preschool play area.

KIS – BOYS' SCHOOL (GR. 7 - 12)

KiS Boys' school is comprised of three main buildings, creating a thriving educational environment for learners from Grades 7 to 12.

The campus includes Physics, Biology & Chemistry labs, an infirmary, ICT Robotics labs, a prayer room, staff rooms and a library.

As part of KiS' commitment to nurturing the whole learner, the boys' school has two dedicated playgrounds, equipped for football, basketball, and volleyball.

ACADEMIC PROGRAMS

The academic programs at KiS include:

- **Preschool:** Offering an integrated syllabus and thematic curriculum, providing an opportunity for faculty and learners to take part in extracurricular and cross-curricular activities.
- **Elementary School:** Preparing learners to achieve educational success and become active citizens in society, contributing to positive change, with diverse courses.
- **KiS' Middle School and High School:** Providing a stimulating environment that allows learners to smoothly transition into untapped intellectual spaces, fostering problem-solving, critical thinking and creative thinking skills.

ROBOTICS LABS

At KiS, we have dedicated Robotics and AI labs, to ensure our learners are up to date with the latest skills needed. In the labs, they practice coding, they experiment and they learn about the future.

3D printers

Electronic chips

Experimentation areas

State-of-the-art labs

STEM LABS

The Science, Technology, Engineering, and Mathematics (STEM) labs at KiS prepare learners for the future, encouraging innovation, exploration and hands-on learning. The labs are fully equipped for different age groups.

TECHNOLOGY

All the classrooms at KiS are equipped with computers and interactive screens, to ensure a dynamic and technologically-advanced way of learning.

AP EXAM CENTER & UNIVERSITY SUPPORT

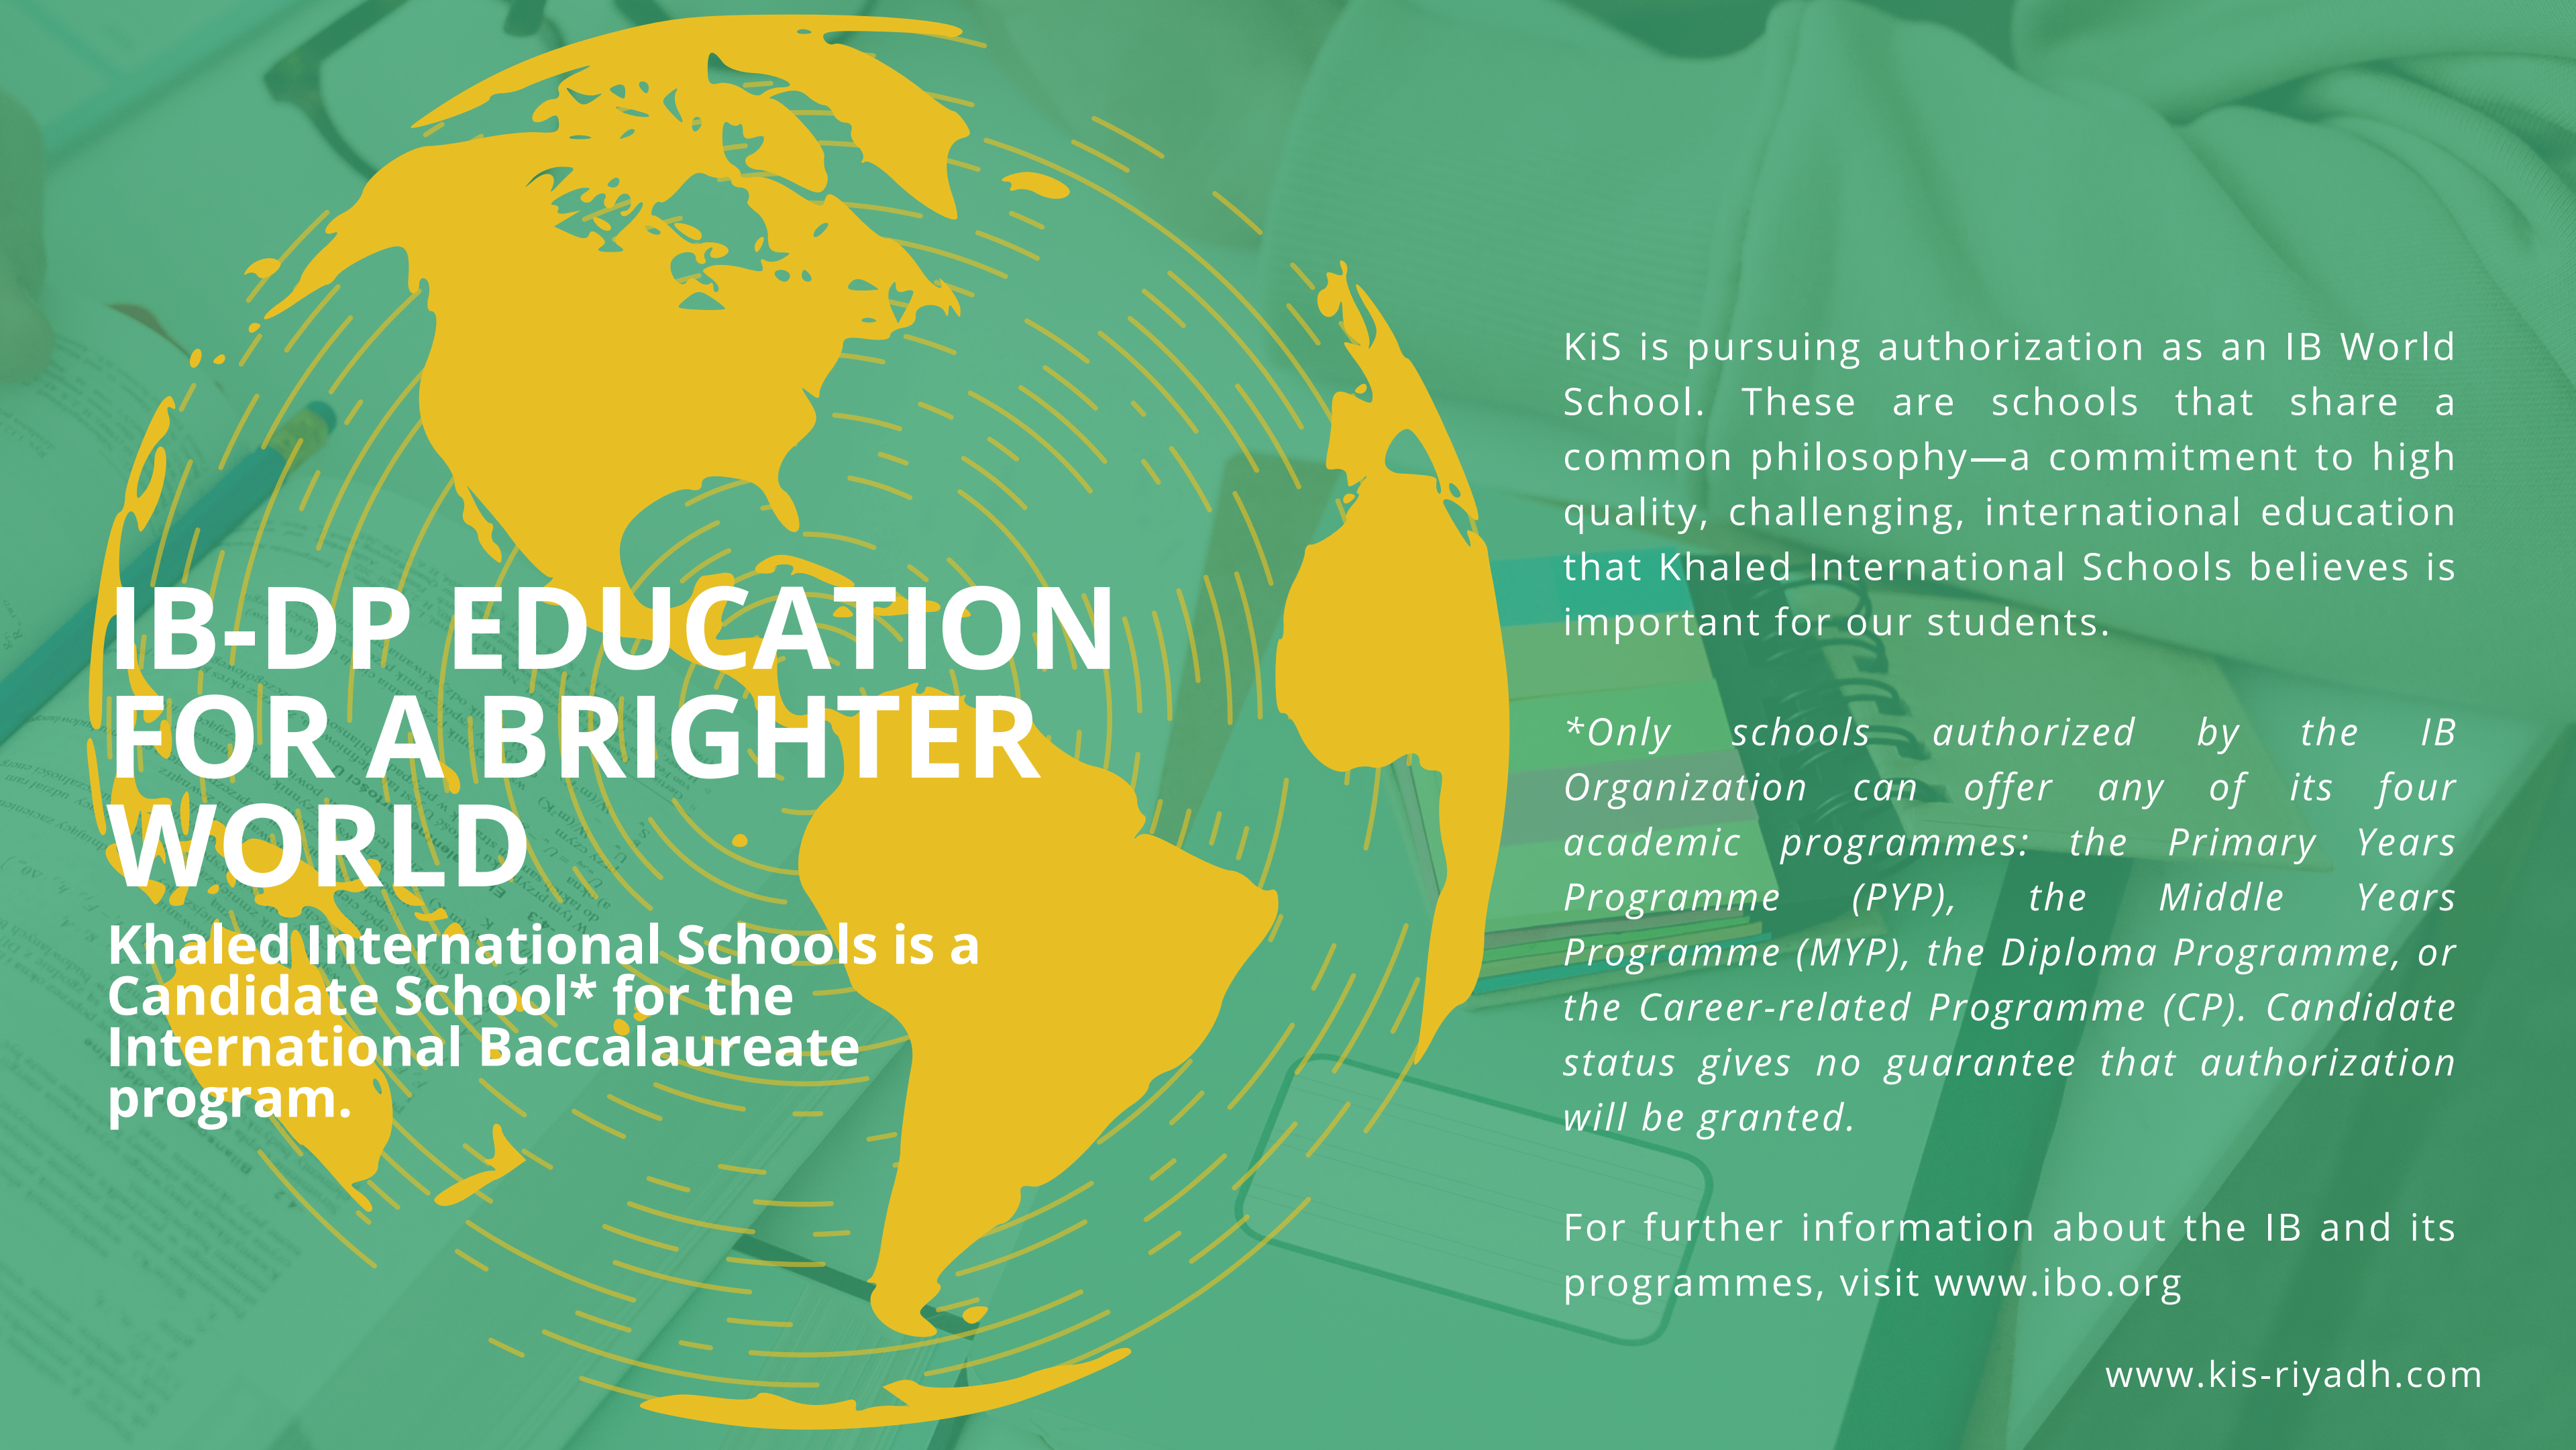

Our AP Exam Center and afternoon support classes are designed for learners in Grades 10, 11 and 12, to unlock their potential and excel at universities of their choice.

KiS is an Advanced Placement (AP) Exam Center, catering to learners in Grades 10, 11 and 12.

Learners are given the opportunity to choose standardized AP courses, allowing learners to earn credit at American universities, which can reduce tuition fees for the first semester.

Support provided to learners

KiS offers learners afternoon AP sessions. In addition, in AY 2025 - 2026, KiS will also offer General Aptitude Test (GAT) and SAT afternoon sessions to prepare learners for success after graduation.

IB-DP EDUCATION FOR A BRIGHTER WORLD

**Khaled International Schools is a
Candidate School* for the
International Baccalaureate
program.**

KiS is pursuing authorization as an IB World School. These are schools that share a common philosophy—a commitment to high quality, challenging, international education that Khaled International Schools believes is important for our students.

**Only schools authorized by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme, or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted.*

For further information about the IB and its programmes, visit www.ibo.org

WELLBEING & MANNERS PROGRAM

As educators committed to nurturing the whole learner, our Wellbeing & Manners program ensures learners thrive socially and academically.

The Wellbeing & Manners program at KiS aims to support the emotional and physical wellbeing of the entire school community. The program is designed to create a happy and healthy school environment for everyone, focusing on building positive and healthy bonds among learners, as well as between learners and teachers.

The program includes various activities and initiatives to support learners' social-emotional growth and mental health, with specialized trainings offered in areas such as active listening skills and mediation.

We seek to create a supportive and inclusive environment where learners can thrive academically and socially.

SUCCESS AFTER GRADUATION

Learners graduating from KiS have been accepted in top tier universities globally, from Canada to the US, the UK, Europe and the Middle East. They have enrolled in various majors, from medicine to dentistry, architecture, cybersecurity, data science and AI, industrial engineering, software engineering and business.

The list of universities include: Concordia University, University of Illinois, Penn State, King's College London, Queen Mary University, the American University of Beirut, the Lebanese American University and King Faisal University to name a few.

At KiS, we support our learners with counseling services to help guide their higher education paths.

PART OF A GLOBAL NETWORK OF LEADING SCHOOLS
